Dietary Supplement

*pH*

*and your  
body*

**SOQI**

The pH scale is used to measure how acidic or alkaline the blood is. Just changing the pH by 1 or 2 points effects the body's electrical chemistry drastically.

***The GOAL is to keep  
your pH in a range of 6.8 to 7.2***

*When the  
balance is disrupted,  
illness and even  
death can  
result.*

# *An Imbalanced pH Can Lead to...*

## **EARLY ACIDOSIS**

- Acne
- Low sex drive
- Food allergies
- Bloating
- Difficulty waking up in the morning

## **MODERATE ACIDOSIS**

- Asthma
- Urinary infections
- Excessive hair loss
- Depression
- Migraines

## **SEVERE ACIDOSIS**

- Cancer
- Lupus
- Multiple Sclerosis
- Rheumatoid Arthritis
- Tuberculosis

Alkalize or Die — Dr. T. A. Baroody (2002)

*What can cause an  
unhealthy pH?*

*Dehydration  
Stress  
Chemicals  
White Flour, Sugar, Alcohol,  
Meats, Any Refined,  
Processed, Enriched, or  
Preserved Foods*

## *Drinks that can cause an unhealthy pH...*

Soda Pop is a 2.5 to 3.5!

***FACT:*** *It takes many, many glasses of water to counter balance 1 can of soda pop!*

*Coffee is a 5.2 to 5.9!*

Most beer is somewhere between 3.0 to 4.0 depending on the brand. Folks that consume huge amounts of soda pop and/or beer are usually acidic and are magnets for most illnesses including cancer.

**FACT:**

A healthy immune system is the #1 key to preventing sickness, viruses, bacteria, parasites, fungus & chemicals from damaging the body.

Introducing

# Go Green

Nutritional Supplement and pH Balancer

“Balance Your Body”

Go Green is designed  
to energize, revitalize, alkalize,  
cleans, facilitate mental energy,  
support a healthy immune system  
and much more.

Could I have three people from the audience come up to do a  
strength test before and after taking the Go Green product?

# Go Green

## Dietary Supplement

Well balanced blend of 77 quality ingredients for your daily diet

- Organic vegetables, leafy greens, grasses, sprouts and mushrooms.
- Plant-based enzymes
- Antioxidants
- Blend of herbs including Chinese Traditional
- Friendly Probiotics
- Sea trace minerals

# Go Green

## Dietary Supplement

- Grown in mineral-rich soils
- Harvested at peak nutrient levels for maximum phytonutrient value
- Low temperature processing maintains nutrient value, plus live enzyme and probiotic action
- High nutrient density – *ingest less for optimum nutrient levels*

- Designed by a medical doctor who is also a Homeopathic, Acupuncturist & Herbalist.
- Feeds every organ of the body using only natural ingredients.
- Manufacturer is Certified Organic Handler and Processor (USDA) and Kosher Certified laboratory located in the United States.
- They have been producing products for over 20 years!

# *Replenish the body daily*

Daily supplementation of Go Green can help protect the body against life threatening illnesses.

For weight loss take 1-2 scoops of Go Green as a meal replacement.

*Feed the body  
alkalizing nutritional supplements.*

*Use Go Green and  
develop a healthy mindset.*

**You will have an unfair  
advantage over everyone else!**

The SOQI logo is positioned in the upper left quadrant of the advertisement. It features the letters 'SOQI' in a bold, white, sans-serif font. The letter 'O' is stylized with a red and blue circular graphic element inside it. The background of the entire advertisement is a vibrant scene of a woman in a blue tank top and white pants, kneeling in a lush green field of tall grass. She has her arms raised high, and several white and green flowers are floating in the air around her, set against a clear blue sky with light, wispy clouds.
